A man is what he makes himself. If he sits down by the roadside or on the soft side of a dry goods box and waits for some one to come along and offer him a princely salary and a life-time situation he generally sits there a long time—so long, in fact, that he concludes that this is a hard world to make a living in. When he has worn his life out sitting around in idleness and is about ready to die he gets up and exclaims, "I never had a chance!" You know such men. You have little pity or concern for them. So it is with a village. If people sit around and wait for some outsider to bring business to town they will wait a long time, and when in after years the town has about died for want of personal vitality and energy on the part of its business men and citizens, these same men will say, "Our town never had an opportunity!" You know of such towns—towns dead because of lack of energy and enterprise on the part of its citizens.—Assumption (Ill.) News.

A barber has been arrested in Chicago for a violation of the recent flag law, his red, white and blue barber pole being considered a violation. A cigar dealer was also arrested for having a flag in his store as an advertisement. All of which caused the Chicago Chronicle to ask if poker players who used red, white and blue chips are to be arrested for a violation of the flag law.

Store News

For

This Week

The Furniture Room

until Christmas will be the storm center of interest. Not that the holiday spirit, imbued by holiday goods, will be lacking throughout the rest of the store, but the Dolls, the Games, the Toys, everything that appeals to childish hearts, will be in the Furniture Store.

Boxes and Cases are being opened and their contents made ready for you. The toy world grows apace, but we shall have more to tell of this shortly.

LINENS.

For some reason or other the approach of Thanksgiving Day turns feminine thoughts linenward. We are no better prepared now than at any time for we endeavor to have our stock always complete. However, this is an opportune time to tell of Linens—table linens particularly.

Bleached Damask, 55 inches wide, 35 cents a yard.

Bleached Linen Damask, 50 inches wide, 40 cents a yard.

Bleached and Half Bleached Linen Damask in Floral and Geometrical designs, 65 cents to \$1 a yard.

Two examples of superior quality Damask, both bleached, full 72 inches wide. One design is carnations strewn on a finely dotted background; the other large pansies on a groundwork of fine, satin finished damask; \$1.25 and \$1.50 a yard respectively.

Linen Napkins from 75 cents to \$4.50 a dozen.

Tray Cloths, stamped or plain, hemmed or fringed, oval shaped or square.

Dollies of every sort and size.

SEPARATE SKIRTS.

No matter how cheap the skirt, unless it hangs properly it is not worth the price. This tells of skirts that have that "hang" about them that marks them correct. They are little priced, too. Three examples:

Black Brocade Skirt.....\$1.75

Black Worsted Serge, tight fitting across hips and back

pocket at side.....4.25

Gray Worsted Serge.....4.50

SOUVENIR SPOONS.

In the bowls of which are embossed designs typical of Bisbee, also "Bisbee, Arizona." They are of sterling silver and come in two sizes—tea and coffee. Neatly packed, as we'll pack them for you, they'll be welcomed as souvenirs by your far-away friends. \$1.50 and \$2 each.

PAJAMAS VS. NIGHT SHIRTS.

The same old struggle—the supplanting of the old by the new. Night shirts have the advantage of seniority—you've always worn them. Pajamas will eventually win, however, because they are so much more comfortable. While the conflict is on we show both kinds impartially. Night shirts in Muslin and Outing Flannel from 75 cents a garment up. Pajamas in Madras, Flannel and Flannel, \$2 to \$4 a suit.

MADE TO YOUR MEASURE CLOTHING.

There's a satisfaction in having clothes made to your particular measure and of material to your particular liking. When the fit is absolutely guaranteed, no risk on your part whatever, and the materials to choose from are practically unlimited, the satisfaction is complete.

The woollen market reflects the general prosperity of the commercial world by an upward tendency of prices and a scarcity of material.

We started the season with some 2000 or more samples, but every day or so we receive a list of "wants," which lessen your assortment to select from.

It's overcast weather now. Come, look over the samples and get prices any day.

Trousers from.....\$4.00

Boys from.....\$4.00

Overalls from.....\$4.00

If you're satisfied with ready-made clothing, we've a store that comes at hand being perfect at ready-made clothing.

Ten and Reefers Suits to fit boys of 4 to 13 years.

Don't neglect the little ones.

The Hardware Store is not the place you think it is. It will furnish you a hint and a help to solving what to give. Christmas is so near that perhaps a hint or two will be welcome. For instance:

Rogers AA Silver Plated Tea Spoons.....\$2 a dozen

Rogers AA Silver Plated Table Spoons.....4 a dozen

A dollar more on a dozen would be nearer the real value of these.

Carving Sets from \$2 a set to \$28 for a five-piece set—pearl handle, with solid silver trimmings.
